

## Topic overview – Year 2/3 (CYCLE A)

	Autumn 2
Topic name	Mummy Mayhem
Big question	What was life like in Ancient Egypt?
Linked books	Marcy and the Riddle of the Sphinx Egyptian Cinderella The Scarab's Secret
Memorable experience	Ancient Egyptian experience day at Ab Kettleby
Outdoor learning	Creating habitats outside for minibeasts.
Reading aims	Listen to and discuss texts Use inference to understand texts Introduction to non-fiction texts structured in different ways Answering and asking questions
Writing aims	Children will: -Increase legality, consistency and control of handwritingDevelop positive attitudes towards and stamina for writing through these pieces of writing:  Tadeo Jones (narrative – diary writing) -Using simple punctuation -Writing in first person -Adverbs -Using expanded noun phrases  Egyptian Gods and Goddesses (non-chronological report) -Using simple punctuation (capital letters, finger spaces and full stops) -Use headings and sub-headings -Sentence types (statement, question and exclamation) -Turning notes into sentences  Marcy and the Riddle of the Sphinx (writing skills focus) -Writing predications -Summarising -Using commas in a list -Using conjunctions -Writing and punctuated direct speech  Ask questions to support their understanding of texts and current class topics.
Speaking & listening aims	Read aloud their own writing, to a group or the whole class, using appropriate intonation and controlling the tone and volume so that the meaning is clear.  Use strategies to build their vocabulary such as phonetic knowledge.  Year 2  Addition and Subtraction
Maths aims	Children will:  Recall and use addition and subtraction facts to 20 fluently.  Add and subtract numbers using concrete objects, pictorial representations, written methods and mentally.  Recognise and use the inverse relationship between addition and subtraction and use this to check calculations and solve missing number problems.  Multiplication and Division  Recall and use multiplication and division facts for the 2, 5 and 10 times tables, including recognising odd and even numbers.  -Calculate multiplication and division number sentences and write them using the relevant symbols  -Show that multiplication of two numbers can be done in any order and division of one number by another cannot.  -Solve problems involving multiplication and division, using materials, arrays, repeated addition, mental methods and multiplication and division facts.  Year 3  Addition and Subtraction

	Autumn 2
	-Add and subtract numbers with up to three digits using formal written methods of
	column addition and subtraction.
	-Estimate the answer to a calculation and use the inverse operation to check their answers.
	-Solve problems, including missing numbers problems using number facts, place value
	and more complex addition and subtraction.
	Multiplication and Division -Recall and use the multiplication and division facts for 3, 4 and 8 times tables.
	-Write and calculate multiplication and division number sentences using the
	multiplication tables that they know, including for two-digit numbers times one-digit
	numbers, using mental and progressing to formal written methods.
	-Solve problems, including missing number problems, involving multiplication and division  Living Things and Habitats continued from Autumn 1
	Living Things and Their Habitats
	-Explore and compare the difference between things that are living, dead and things that have never been alive.
Science aims	-Identify that most living things live in habitats to which they are suited and describe how different habitats provide
	for the basic needs of different kinds of animals and plants, and how they depend on each otherIdentify and name a variety of plants and animals in their habitats, including microhabitats.
	-Describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and
	identify and name different sources of food.
	Ancient Egyptians Children will learn about:
History aims	-the achievements of the ancient Egyptians.
motor y anno	-when and where this civilization appeared.
	-life in ancient Egypt.
	Whilst studying the Ancient Egyptians, children will: -Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.
	-Describe and understand key aspects of physical geography, including rivers (The Nile)
Geography aims	-Describe and understand key aspects of human geography, including: types of settlement and land use, economic
	activity and trade links, and the distribution of natural resources including energy, food, minerals and water.
DT aims	Covered within another term/topic.
	Craft and Design – Ancient Egyptian Scrolls
	Children will: -Generate ideas from a range of stimuli and carry out simple research and evaluation as part of the making process.
	-Confidently use of a range of materials and tools, selecting and using these appropriately with more independence.
Art and design	-Use hands and tools confidently to cut, shape and join materials for a purpose.
Art and design aims	-Use hands and tools confidently to cut, shape and join materials for a purposeDevelop direct observation, for example by using tonal shading and starting to apply an understanding of shape to
	-Use hands and tools confidently to cut, shape and join materials for a purposeDevelop direct observation, for example by using tonal shading and starting to apply an understanding of shape to communicate form and proportion.

## Autumn 2

	Children will learn skills to play the following: Year 2 Year 3
	Basketball (3 weeks)
	Dodgeball (2 weeks)
	Volleyball (3 weeks)
	Acquiring and developing skills
	Children will improve the way they coordinate and control their bodies and a range of equipment remember, repeat
	and link combinations of skills.
	Children will be able to consolidate and improve the quality of their techniques and their ability to link movements
	Children will be able to develop the range and consistency of their skills in all games.
	Selecting and applying skills, tactics and compositional ideas
	Children will be able to choose, use and vary simple tactics.
	Children will be able to improve their ability to choose and use simple tactics and strategies keep, adapt and make
	rules for striking and fielding and net games.
	Knowledge and understanding of fitness and health
PE aims	Children will be able to recognise and describe what their bodies feel like during different types of activity. Children
	will be able to improve their stamina and begin to understand the importance of warming up.
	Evaluating and improving performance
	Children will be able recognise good quality in performance use information to improve their work.
	Children will be able to recognise good performance and identify the parts of a performance that need improving
	use what they have learned to improve their work.
	Swimming
	Children will begin to:
	- swim competently, confidently and proficiently over a distance of 10/15 metres.
	- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
	Vocabulary
	Swim, stroke, glide, push, surface, float, unaided, kick, support, breathe, under water, lie on front and back, roll,
	walk in water.
	What is it like for someone to follow God? (L2.2)
RE aims	Children will learn:
	- to make clear links between the story of Noah and the idea of covenant.
	- to make simple links between promises in the story of Noah and promises that Christians make at a wedding
	ceremony.
	- to make links between the story of Noah and how we live in school and the wider world.
	School equipment
Foreign Language	- Name school equipment
aims	- Say what equipment they have
	- Say what equipment they have
